To Whom This May Concern

I would like to apply for the Journalism Internship at Broad Media.

I enjoy writing and I happen to be really good at it. I believe that I'd excel in this role because it entails something that I'm entirely passionate about because I'm a creative being.

I'm a law student too, which means that I'm constantly sharpening my research skills and the ability to comprehend information and produce a necessary perspective from that. Being a law student also entails the necessity to know and understand current affairs and also be an independent thinker of the news presented.

I recently interned at Juta and Company and showed attributes of being versatile, showing strong attention to detail and being able to work well under pressure. I had also been able to show excellent analytical skills as well as the ability to work well with people, which are attributes that I believe are necessary to excel in this Internship.

The opportunity to work at Broad Media would be a great opportunity to strengthen and showcase my writing skills. I am a person who is always willing to learn and develop my strengths and weaknesses.

I recently took part in my Institutions' Moot Court competition which was an experience that allowed me the opportunity to build more on my research capabilities and the ability to put on paper the findings and subsequently present them well. I won Best Speaker in the competition which I believe is evidence of my strong written and verbal communication skills.

I am a hard-working and focused individual hence I am a top achiever in my academics.

I enjoy working with others and believe that my strong verbal and written communication skills, will ensure that I can meet the expectations of this role.

I am aware that you will receive a large number of applications for this job, but I would very much appreciate the opportunity to demonstrate my capabilities to you in person.

I believe that I have a lot to offer to Broad Media and I am keen to develop my professional skills with your respective firm.

I have enclosed a copy of my CV for your consideration. I can be contacted at all times on the details provided above.

Thanking you in advance for your time,  
Dimphe Salvation Modise.
